

2021/2022 Bergen County Chorus Instructions for Students

Pandemic Statement: Our intention is to hold “in person” auditions and an “in person” festival that conforms to all national, state and local health guidelines. Specific procedures to accomplish this will be announced as we approach each event. The safety and health of all participants will be our primary concern while providing a meaningful experience for all involved.

Any Bergen County student in grades 9-12 who is a participating member of his/her high school vocal music department, and who is certified as a dependable individual of above average musical ability by their high school vocal music instructor who is a member of MEBCI, is eligible to participate.

Please complete the application form online, submit the form online as directed, then print out the completed form and obtain the appropriate signatures. Your director should mail all applications and fees from your school together.

Applications must be completed online, endorsement pages printed out and appropriately signed and submitted to directors. Directors must submit them to the audition chair by October 27, 2021.

Because of the short rehearsal schedule, **no absences of any kind** will be allowed for any reason. Any absence will result in immediate removal from the roster. Please be sure to check the rehearsal and performance schedule before applying.
