Licensed students are permitted to drive cars to school, subject to the following rules and restrictions. Any infraction of these regulations will result in disciplinary action and loss of parking privileges.

RULES AND RESTRICTIONS

- All vehicles are to be parked in assigned spaces in either upper student parking lot (adjacent to the science wing), or the lower student lot (next to the lower softball field). Student spaces are outlined in white and are not numbered. All other parking areas have yellow numbered spaces and are reserved for school personnel only.
- Only vehicles with proper parking decals will be permitted to park in assigned student spaces. Any vehicle parked in any lot without a decal will be considered unauthorized and may result in the loss of parking privileges. Illegally parked vehicles (e.g., parking in handicapped spaces, along curbs or fences, on sidewalks) are subject to being ticketed and/or towed.
- Parking decals must be affixed to the DRIVER'S SIDE REAR WINDOW.
- Parking a vehicle at school is a privilege. Any student guilty of abusing this privilege by leaving school grounds during lunch periods or before the end of the school day without permission, or through reckless or disruptive use of the vehicle while on school grounds, will risk suspension and/or loss of the privilege. Examples of such behavior include, but are not limited to: speeding; entering or exiting the wrong way; transporting passengers in an unsafe manner (e.g., students hanging out car windows or riding on the outside of the vehicle); making unnecessary and/or excessive noise (e.g., sounding horns); moving a vehicle during the school day without authorization; and/or any form of vandalism.
- Students must adhere to the speed limit, which is 15 m.p.h.
- The administration reserves the right to suspend or remove parking privileges in accordance to school district needs (e.g., special events, municipal concerns, disciplinary action).
- Vehicles parked on school grounds are subject to search if school personnel have reasonable suspicion that school policy has been violated.
