I been hear-in' symphonies, be-fore all I heard was si-lence.

rhapsody for you and me, and ev-ery me-lo-dy is time-less.
Life was strin-gin' me a-long, then you came and you cut me loose. Was

so-lo sing-in' on my own, now I can't find the key with-out you. And now your song
is on repeat and I'm dancin' on to your heart beat. And when you're gone

I feel incomplete, so if you want the truth, I just wanna be part of your
stronger, with motion

Sorry if it's all too much, but every day you're here I'm healing. And

I was runnin' out of luck, I never thought I'd find this feelin'. 'Cause

Every day you're here I'm healing. And
I've been hear'-in' symphonies when before all I heard was silence.

Rhapsody for you and me and every melody is timeless, And now your song
is on repeat and I'm dan-cin' on to your heart beat. And when you're gone
