

Below are questions that we would like you to answer as part of the Student Ambassador application process. Please answer completely and honestly, keeping in mind this is our first impression of you. The answers to these questions should truly reflect who you are. Please follow the directions carefully. In the HEADER of the document, please include your full name and a **small photo of yourself** (you can use the picture on Genesis or another one if you prefer). No answer should exceed 150 words. Print your responses and return **2 copies of them** to the High School Office no later than Friday February 14th at 12:45 pm.

1. **ALL APPLICANTS:** Tell us about any experience you have leading groups of people. What role did you serve? What were your responsibilities? How do you think this experience will help you as an ambassador?
2. **ALL APPLICANTS:** If you went through the Boomerang Project as a freshman, what would you change about the program? If you were **not** a freshman at Northern Highlands and your other school had a peer leadership program, what would you change about that program? If your other school **did not** have a peer leadership program, what would you have wanted from a program to help with your transition to high school?
3. **ALL APPLICANTS:** Tell us about a time where you decided to not go along with the crowd and decided to act on principle.
