Spring 2022

Jakyrra S. Tyson, M.S., Director

Dear Student:

The faculty and administration of Fairleigh Dickinson University (FDU) are pleased to invite you to participate in the Middle College Program, the University's long-standing concurrent enrollment program. You are eligible to take part in this exciting cooperative effort that engages the faculty and resources of your high school and those of the University.

Students who enroll in the program can get a head start on college by taking credit-bearing courses that offer a valuable preamble to college-level coursework. Participation in this program supports a student's transition from high school to college, strengthens their college application, and aids in their development of crucial tools for future success.

Your instructor will be a faculty member from your high school whose credentials were reviewed and approved by an advisory committee of Fairleigh Dickinson University. Approved courses have also been thoroughly reviewed to ensure they meet program standards for college-level rigor and depth.

3. The cost is **\$267.00** per three-credit course.
4. Students in grades 9-12 are eligible to participate as long as they are taking a Fairleigh Dickinson University Middle College-approved course at the high school.
5. You may list courses taken at Fairleigh Dickinson University as college courses on most college applications. It will be at the discretion of the receiving institution to accept or deny these courses.

7. You must receive a final grade of “C” or better in order to receive college credits from Fairleigh Dickinson University for each course.
8. At the conclusion of the academic year, your teacher will submit your final grade for your Middle College course(s) to Fairleigh Dickinson University. Your grade(s) will be recorded on an official FDU transcript.
9. Requesting your official FDU transcript is done by visiting **www.getmytranscript.org** and selecting “Fairleigh Dickinson University” from the drop-down menu.
10. Should you elect to enroll at Fairleigh Dickinson University, in some cases these credits may transfer in as elective credit, and not credits in the major area. The same practice applies to most college and universities to which you would be applying.
